

Hopper™ to Include Facebook® and Pandora®! Effective April 19, 2012

April 19, 2012

Here is something to make the DISH Hopper Whole-Home HD DVR system even more incredible! Effective April 19, 2012, Hopper includes Facebook and Pandora functionality! Other features available in Hopper include additional PrimeTime Anytime™ functionality and increased HD recording capacity!

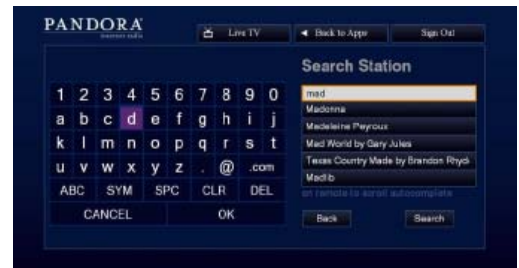

Facebook

DISH Hopper subscribers now have the ability to stay connected via the world's most popular social media site, **Facebook**. Facebook functionality in Hopper allows users to login and access their Wall, News Feed, User's Photos, User's Tagged Photos, and Friends' photos; plus they can Like, view, and post comments. Users can access Facebook in Hopper through the 'Apps' tile from the **Main Menu**.

Pandora

Pandora Internet Radio is the personalized Internet radio service that helps users find new music based on their old or current favorites. It also allows users to create custom web radio stations. DISH Hopper subscribers are now able to login from the Hopper only (Joey in June) to stream their personalized radio stations through their television. Pandora can be accessed through the 'Apps' tile from the **Main Menu**.

Increased HD Recording Capacity

The area of Hopper's hard drive dedicated for customer use is a huge 1 Terabyte. Effective April 19th, the maximum hours of HD programming allowed to be recorded in the customer's allotted area of the Hopper hard drive has been increased to **500 hours of HD content** (from 250 hours).

PrimeTime Anytime

PrimeTime Anytime Events Now Displayed on TV Viewing Status Landing Page – For additional convenience, the TV Viewing Status Landing Page now displays PrimeTime Anytime events when an active tuner is being used for PrimeTime Anytime functionality (please see screen shot on left). The TV Viewing Status Landing Page can be accessed through the red “hot” key on the remote to view the current status of any connected tuner. Users are able to quickly join any of the currently displayed events, including PrimeTime Anytime, from this screen.

New PrimeTime Anytime Save Series – The new PrimeTime Anytime “Save Series” functionality allows users to choose to save any PrimeTime Anytime series of programming to their DVR *beyond* PrimeTime Anytime’s eight-day default. This feature can be accessed through the **DVR** and **PrimeTime Anytime** folder.

PrimeTime Anytime Help Video – This new help video allows users to access a demonstration video about Hopper’s PrimeTime Anytime feature. The new help video can be accessed by clicking the ‘**Learn More**’ button from the PrimeTime Anytime **Enable/Disable** screen.

Thanks for supporting DISH!
